ANYCon Invited Talk

I have been invited to give a talk on my research at the upcoming <u>ANYcon</u> InfoSec and Hacking conference which will be held in Albany, NY from June 16th — 18th. This is a new conference bursting into the InfoSec scene, and is shaping up to be similar in size and spirit to other family oriented mainstream InfoSec conferences like <u>DerbyCon</u> and <u>BSides</u>. The talk abstracts are starting to pop up on the <u>Agenda</u> page, and my talk is listed in the <u>Offensive Track</u>.

While your hanging in Albany that weekend you may also want to stay a few extra days and check out the Dead & Company concert that will be at SPAC on June 20th!
