

ANYCon Invited Talk

I have been invited to give a talk on my research at the upcoming ANYcon InfoSec and Hacking conference which will be held in Albany, NY from June 16th – 18th. This is a new conference bursting into the InfoSec scene, and is shaping up to be similar in size and spirit to other family oriented mainstream InfoSec conferences like DerbyCon and BSides. The talk abstracts are starting to pop up on the Agenda page, and my talk is listed in the Offensive Track.

While your hanging in Albany that weekend you may also want to stay a few extra days and check out the Dead & Company concert that will be at SPAC on June 20th!
